MYSTERY: BABYLON THE GREAT

Straight down to brass tacks; Jezebel aka Babylon the Great Whore is the Western World of Modern Times. It is what we know as the Commercial/Industrial/Financial/Religious/Political/Economical Systematic Structure that is controlling the Earth as we speak. Let us make it clear what is being stressed here:

- Commercial: All forms of corrupt and influential media and entertainment from television to the Internet to subvert and foster the minds of the godless thus impressionable.
- Industrial: All the working, labour-based, economic activities that generate goods and services that completely controls the livelihood of almost everyone in the known world.
- Financial: Everything and anything to do with the making, maintaining and using of wealth that can be cash, goods and services to property.
- Religions: Beliefs, teachings and ways-of-life that orchestrate the fundamental day-to-day faith of man and community. All in one way to try to preach the possibility of man becoming greater than he already is-immortal either through the worshipping and reverence of higher beings or the mental enhancement of our spiritual persona to the point of absolute illumination.
- Political: Politics is the complete governing and directing of the people through regulations, rules and legislations usually through their own conspired elected bodies. This is the forum where the needs and the demands of the people are heard, heeded and executed; in theory anyway. Please notice that law was not added amongst the attributes of Politics for in all essence it has nothing to do with it. Laws are for the people while Politics is for the corporations and artificially created entities from businesses to clones and patented ideas. It always leads to funds and credit not the genuine improvement and development of life.

THE RRR FILES

- Economical: The planning, manipulation and overseeing of the masses on the mental, financial and social level.

So this gives us a clear understanding of the prime essential factors that make up the unholy Babylon the Great Harlot world systematic structure that quite literally infiltrates every and all aspects of everyone's lives no matter if you live in the Western world or exist in the Third world. Even though this affects everyone on the material level it most definitely influences and drives the spiritual aspects of the lives of the people. In other words, Babylon the Great is the Modern World Complex and it can even be interchanged with The Western World structure to some extent as they are both made up of the same properties and attributes. All three of these concepts are built on the reality of subverting humanity through all mental and physical immoralities, corrupt business and trade and total control of propriety and knowledge. What mustn't be forgotten is that all of this is primarily focused towards The Holy One's Chosen People from the very beginning. Now, the breakdown of who and what she truly is.

The verses that are being used are not brought out in any particular order but are specific in the necessary revealing of the Whore so they will be explored in the most simple and accessible way we can provide as the main goal is to help all those that read this to understand not to prove who much knowledge or wisdom we have. Simple words, simple understanding. The first verse to delve into is:

Revelation 18:11

And the merchants of the earth weep and mourn for her, since no one buys their cargo any more,

THE RRR FILES

Here, it showing that The Harlot is having trade problems with the rest of the world, why? This is due to the coming Great Reset. The Great Reset will ultimately collapse the Western World/ The Modern World trading capabilities. This has already started; it is not a one-day event, its continuous. This is earmarked by the 2020 Lockdown that shutdown many home-made, small and medium businesses. Of course, other events have happened but this is the one that signalled the beginning of the The Great Reset. In 2018 and 2019 and beyond farmers from the US to Europe have been forced to destroy and get rid of their livestock, harvest and produce but in truth this has been going on in the Americas ever since the early 2000s especially with the Mormon farmers. They weren't allowed to publicly trade the naturally-reared produce so they were raided by the authorities and effectively shutdown.

The coming World Wide Currency

Soon to come will be the CBDC (Central Bank Digital Currency), this ultimately means that any and all that doesn't conform, join or add to this new financial system will not be able to buy, sell or trade in anyway on a local, national and international level. There is more info can be found in detail online.

Revelation 17:6

And I saw the woman, drunk with the blood of the saints, the blood of the martyrs of Jesus. When I saw her, I marvelled greatly.

Now, what has to happen here is that the main point that has to be accepted is that the saints and martyrs that are mentioned here are NOT Christians by any means. The saints and martyrs whose blood are being drunk by the Harlot are the Chosen ones of The Almighty or in other words, the Chosen Ones of Israel. Not to say that some are from other nations due to them believing and dedicating to The Truth but the main body is of Zion. Sense and sensibility has to be used here to honestly grasp the full truth of what is being prophesied. The Western world is the creation of Esau/Edom for it is the ending of the world as stated in Genesis 27:

38 And Esau said unto his father, Hast thou but one blessing, my father? bless me, even me also, O my father. And Esau lifted up his voice, and wept.

THE RRR FILES

39 And Isaac his father answered and said unto him, Behold, thy dwelling shall be the fatness of the earth, and of the dew of heaven from above;

40 And by thy sword shalt thou live, and shalt serve thy brother; and it shall come to pass when thou shalt have the dominion, that thou shalt break his yoke from off thy neck.

This prophecy shows the way that Esau will go about obtaining his dominion, how far it will stretch and how he will sustain his kingdom. This shows that Esau is going to be ruling at the very end of the wicked system before the coming of Our Messiah so that will include the majority of the main and minor kingdoms and empires that came through history and made their mark, for example the Macedonians (the Greeks), the Roman Empire and any other minor empires that may have spawned from the lineage of Edom such as the Normans, the Gauls, the United Kingdom and the like. To prove that this line of evidence is true we will go into another scripture that the self-proclaimed experts claim isn't canon but actually accurately prophesies in parallel to this Genesis verse thus proving that it has to be canon and extremely relevant in deciphering the Mysteries. This is from 2 Esdras 6:9 KJV:

9 For Esau is the end of the world, and Jacob is the beginning of it that followeth.

Now, this cancels out the Jews of today as it clearly states that The Almighty's Chosen Ones will RULE AFTER Esau's end, not before or during, so whoever is claiming they're the Chosen ones of YAH in Israel as we live and breath have to really explain the discrepancies in these Ancient prophecies for some one is wrong and so one is lying. The Heavenly Father's people will in no way be in any form of authority during the End Times but will be in complete servitude to Edom during the End Times. This is present throughout the Book of Revelations. So, all the main ruling bodies of the civilised worlds will be made up of the children of Esau; this has to be emphasised so to drive home the understanding that it isn't just about organisations, corporations and high level people of the world its about nations, countries, bloodlines and families that actually create, develop and make up the core of these organisations and bodies of power and influence. This is all Esau. So, this Esau that is drinking the blood of the Saints and the Martyrs of Our Lord and King, Yahushuah; they are doing this through their invasions, infiltrations, coercions, enslavement, conversions, trafficking, educations, religions, financing, that is perpetrated through their systems like Plan Parenthood, education like Westernised Academics and kingdoms such as Rome.

Now, we move on to the next verse:

Revelation 17:16

And the ten horns that you saw, they and the beast will hate the prostitute. They will make her desolate and naked, and devour her flesh and burn her up with fire,

THE RRR FILES

The ten horns represent the ten authoritative powers that are ruling and controlling this Scarlet Beast System. They emulate the other ten horns on the Beast That Came Out Of The Sea for you have to remember that Scarlet Beast System was created by the Beast That Came Out Of The Sea, The False Prophet and The Old Serpent/ The Great Dragon, in other words: The Ancient Kingdoms of the World from Ancient Babylon to Rome, The Elites, Secret societies and Scientific Oligarchies and The supernatural realm lead by Azazel that rules this world. The ten horns aren't countries or nations as on the first Beast but they are big businesses, massive organisations, world-spanning corporations, conglomerates that touch the four corners of the Earth, making decisions that affect everyone's lives be you rich or poor, young or old, man or woman. The prostitute has been understood as the Western World of Modern Times created by Edom, involuntarily through his conquest of the Earth. It's out-of-date now, inconveniently cumbersome, very unrefined, too much liberty for the masses to exercise: financially, mentally, physically and so on and so on. So therefore, in the eyes of the powers-that-be: She's got to go! This is encapsulated in the Georgia Guidestones' directives and the part-document, Secret Weapons for Quiet Wars. So, what do they do: they gradually take away all of her access to wealth, power and resources (start changing the ways and methods of doing business, trade and living that is not compatible with the present system so you have to migrate and affiliate with the new system if you want to survive), show all the corruption, misgivings and perversions that it was harbouring and facilitating for its own ends. Once this is successfully executed then their next phase is to publicly get rid of this good-for-nothing, waste-of-space way of living by putting it out to pasture either by phasing it out or causing a worldwide catastrophe that will inevitably leave the masses of the world with little to no choice in options, opinions or alternatives. Or just execute both tactics just to be sure.

Good examples of this is the hand-in-hand crisis, COVID 19 and the worldwide Lockdown that everyone experienced; many people lost their livelihood, way of life and self-esteem due to this sudden tragic worldwide event that brought the economic, industrial structure to its knees. This is part of the 'devouring of her flesh and burning her up with fire', as two systems/kingdoms/powers cannot rule at the same time. One has to give way. The only thing left will be the scarlet beast system that will effectively take their allotted position; front and centre. And the world will be in awe when it will come on the scene. It will be as if it is a living thing, a powerful entity, a god.

Revelation 17:18

And the woman that you saw is the great city that has dominion over the kings of the earth."

The Harlot has been identified as the Modernised Western World that incorporates bodies of power such as the UN, NATO, WHO, NASA, the World Banks, IMF and other organisations that reside over many nations and countries of the Earth. They are mainly built up of European attendants that govern over the political, economic, military, academic, commercial, religious and social make-ups of other non-european nations. This is why the prostitute cannot be the USA alone as it terrorises the nations but it does not have complete dominion over the kings of the Earth as other European nations have colonial power over other minor international quarry. So, it is as a whole, the western world as the Harlot has an overshadowing control over the kings of the Earth.

THE RRR FILES

Revelation 18:2

And he called out with a mighty voice, "Fallen, fallen is Babylon the great! She has become a dwelling place for demons, a haunt for every unclean spirit, a haunt for every unclean bird, a haunt for every unclean and detestable beast.

Babylon the Great as the western world, especially in the End Times, has been embracing and adopting all the old and ancient ways of the main godless kingdoms of the past and that includes from before The Flood/The Great Deluge. The demons and unclean spirits of this Earth have been smothering and bombarding the world as we know it, with all their false teachings that they created and even those that man created themselves. This isn't just religions and faiths but also ways of lives, more directly civilisation. This is their sociological construct not The Heavenly Father's.

As everyone has witnessed in one form or another, there has been a massive boom in ancient beliefs and occultic practices on a worldwide scale, from yoga and pilates of the Hindu belief system to the sudden resurgence of the ascended masters and the Anunnaki being dressed up as ancient astronauts by the media itself. These type of teachings are being merged and interwoven into the very fabric of our overall living structure from our entertainment with it being filled with representations of these paranormal beings and spiritual entities to showing and overtly teaching the youth foundation to adept level witchcraft. They are in movies, anime, TV series, etc. and it is just increasing exponentially. Additionally, those that are promoting and coordinating this cultural infection are being upheld as innovators and trend-setters for the whole world to admire such as film-makers, actors and the like. The incredible thing is that the audience does not have a clue that the majority of these bringers of commercial culture are actually seasoned occultists and witches. They commune with unclean spirits and traffic with demons regularly so to create content and uphold the belief and ways of the Fallen. Thus, they are the unclean birds, they are the unclean and detestable beasts.

So, it has to be understood that this is the churches, the mosques, the synagogues, the Asian temples from Buddhism to Daoism which also includes other religions such as Zoroastrianism. Then it goes to televised programmes, screened movies and around-the-clock animation. Products and services are clearly being branded in honour to some of these false gods like Celine Dion's clothing line called Celinnunu for kids or the sixes within the name of Walt Disney and the phallus that's disguised as a smile of Amazon. Due to this great influx of orchestrated demonology, supernatural activity has continued to multiple all over the Earth to the point that even the scientific field has been taking it seriously and there has been no end to sightings of cryptoids like mermaids and Bigfoots to up-close experiences with spirits and aliens. They are all connected to demons and unclean spirits as their job is to misdirect the people of the Earth from the Truth and reality of the Earth they're living by presenting alternatives of existence just by their own existence thus creating myths, legends and folklores.

THE RRR FILES

Celinnunu Clothing with symbolism and messages.

Revelation 18:8

For this reason her plagues will come in a single day, death and mourning and famine, and she will be burned up with fire; for mighty is the Lord God who has judged her.”

Now, due to her being in conjunction with these misleading ways of life that has been spread throughout the living Earth, so many were not privy to the true way of living to the Ways of The Holy One, her punishment is going to be absolute and final. On a Heavenly and Earthly stance. It will be so sudden that it will be a day, a single day, this doesn't mean that there wasn't a steady build up of her ultimate destruction that wasn't perceived but not fully understood by the populace of the Westernised world. The judgement of the Harlot was absolute due to what she had done and been doing to The Almighty's Chosen Ones. It was unforgivable and irredeemable.

Revelation 18:16

“Alas, alas, for the great city that was clothed in fine linen, in purple and scarlet, adorned with gold, with jewels, and with pearls!

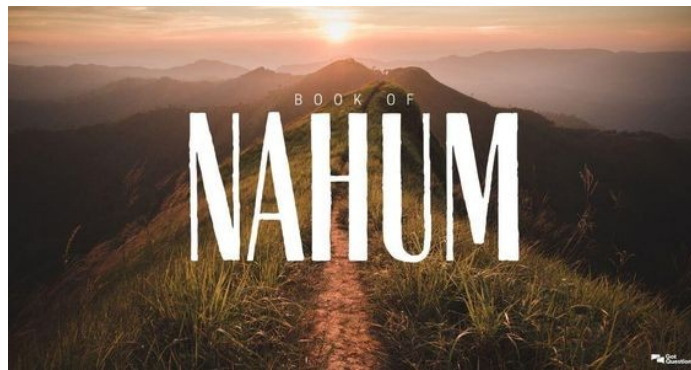

Babylon the Great became incredibly wealthy and decadent through the constant plundering of the riches of the children of Zion. What the Western world ravaged from YAH's people went from the extent of natural resources that ranged from food stuffs, dyes and clothing materials to minerals, ores, precious stones and even men, women and children – living souls. Even up until today. They decked themselves up with this stolen loot as if it was theirs by right and show off shamelessly, flaunting and boasting how great they are, believing they will be rich and touchable forever. This has to be understood when it comes to the details of the Whore quality of clothing as it is

THE RRR FILES

emphasised for a reason. The prophecy describes the actual types of material of her clothing and the changing of the form of the prostitute, herself, this is very significant and shouldn't be taken as just an allegory or as a prophetic metaphor. The Harlot is suddenly known or is viewed as the great city, why and what for. In prophetic visions, a city or cities are usually known and understood as religions and beliefs for they show people are together for a common faith, reason or belief. A good example of this is from the Book of Nahum:

Nahum 3:4

4 Because of the multitude of the whoredoms of the wellfavoured harlot, the mistress of witchcrafts, that selleth nations through her whoredoms, and families through her witchcrafts.

This was the main reason why the city of Nineveh was destroyed for it continually practiced sorcery and witchcraft and even expounded their practices to other nations and they followed suit. The whole cursed catastrophe in the Book of Nahum is a snapshot of what will be happening to the Modernised Western World created by the different nations and bodies of power from Edom that will make up the Harlot, Babylon the Great. Now, the rich adornments that the great city was wearing represents the actual resources and wealth they took from us also the teachings and ways they've spread to their other prostitutes. Now, compare the prophecy of Revelation to Nahum and witness the similarities in the Heavenly accusations and its warranted destruction.

Revelation 16:19

The great city was split into three parts, and the cities of the nations fell, and God remembered Babylon the great, to make her drain the cup of the wine of the fury of his wrath.

This is the most crucial time period in history. This is when the beginning of the end of the Modernised Western World. It seems to be signified by some separation of great relevance that sparks off Esau's Holy punishment. It seems Babylon will be split in to three sections, three parties, three bodies of some connection to the world's business structure. It seems at this point The Almighty YAH will start to turn HIS attention towards Babylon the Great thus the wrath that was ordained for her was going to be executed, all that she had done, all the crimes she committed

THE RRR FILES

against YAH the Almighty, HIS People and the whole Earth. Her time is up and steps to destruction has begun.

Revelation 17:1-6

Then one of the seven angels who had the seven bowls came and said to me, "Come, I will show you the judgment of the great prostitute who is seated on many waters, with whom the kings of the earth have committed sexual immorality, and with the wine of whose sexual immorality the dwellers on earth have become drunk." And he carried me away in the Spirit into a wilderness, and I saw a woman sitting on a scarlet beast that was full of blasphemous names, and it had seven heads and ten horns. The woman was arrayed in purple and scarlet, and adorned with gold and jewels and pearls, holding in her hand a golden cup full of abominations and the impurities of her sexual immorality. And on her forehead was written a name of mystery: "Babylon the great, mother of prostitutes and of earth's abominations." ...

This is the judgement condemned on to the prostitute by Heaven's Authority. John the Revelator was shown by one of the seven angels the holy decree that was decided upon, to be executed on the Great Whore who has been a blight on the Earth with all of her immoral ways. She has caused all the rulers and authorities of the world to commit spiritual fornication with her by doing 'business' with these world powers. The systems that goes against the Heavenly Laws that the Harlot is manifesting are the main international structures that makes the world go round: Commercial/Industrial/Financial/Religious/Political/Economical Systematic Structure. This is the topsoil but the underbelly looks like this; human and drug trafficking, Big Pharma, immoral commercial media, The Banking System, GMO production, organ harvesting and much more that has been mainly focused and targeted towards The Almighty YAH's people. They would be teaching GOD's people poor and incorrect education thus corroding the economic living system and then ravage the lands by striping their natural resources from them for little to no payment. It has been known that they have to pay THEM to steal their own resources, getting the indigenes of the land to do all the work while she gains all the profit from the exploitation.

She has become unforgivably rich from these endeavours, YAH's Chosen being badly exploited from daylight to moonlight with no respite or mercy. From our exploitation, all the other nations grow fat or in other words: drunk. She adorns herself with our natural treasures given to us by Our Heavenly Father. Her unholy ways are taught to the other nations so thus being their 'mother' and they strive to copy her therefore increasing the corruption of the Earth. This is what her golden cup is full of; sex trafficking, modern-day slave trade, acceptance of sexual deviance and transhumanism to name a few. The Beast she rides is fully explained in it's own post entitled THE ANTICHRIST: WHO AND WHAT IT IS.

THE RRR FILES

Revelation 18:19

And they threw dust on their heads as they wept and mourned, crying out, "Alas, alas, for the great city where all who had ships at sea grew rich by her wealth! For in a single hour she has been laid waste.

An unfathomable amount of wealth, influence, accessibility and power has been destroyed by the scarlet beast's sudden attack, everything happened in an instant before the great city could react. The merchants of the Earth: the businesses (big, medium and small), institutions, corporations and many other constituencies that were relatively major players, that had massive stakes in the international market will be watching their long-laboured livelihood metaphorically go up in smoke.

Revelation 17:15

And the angel said to me, "The waters that you saw, where the prostitute is seated, are peoples and multitudes and nations and languages.

It is self-explanatory at this part for the Angel actually explains its interpretation, no, in it's modern day terms it is showing all the peoples, masses, countries and societies the Modernised Western World actually controls. This is through currency and its value system, natural and factory produced resources, information and data, technology, entertainment, politics and religion. Since the reign of the Feet of iron and clay, there has never been such a complete saturation of demoralisation, destabilisation, crisis and normalisation in the history of the Earth, across the Earth and this includes before the Deluge.

Revelation 18:3

For all nations have drunk the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth have grown rich from the power of her luxurious living."

THE RRR FILES

This Westernised Modern Kingdom of Esau has been indulging in extreme sexual perversion across the known world and please remember this is referring to these actions spiritually not just on the world stage. The prostitute has been exercising very spiritually degrading practises that has been warping the morality of the leaders of the Earth as they have been adopting these practices for they were lead to believe that these were the only way to be successful in this world. The question is what is this spiritually-depraved way of life that the Harlot has administered that all countries and governments fell into line and incorporated as their norm: Christianity, Islam and Judaism and this lead onto the Industrial Revolutions of the Western World with all of its tropes and ideologies.

The three Abrahamic faiths have in one way or another taken over and crippled the known world but covertly brought in it's hypocritically, corrupt beliefs and ways of life, laws and mindsets that actively goes against the Laws of the Most High but convince their mental slaves otherwise. This systematically crushes and eliminates other nation's creeds, cultures and the country's traditions therefore finding it hard to combat the status quo. They would remould their new followers into unwavering acolytes that will be spreading their philosophies, legislations and systems that were drawn from all the ancient power structures of history that within themselves were satanic theorisations. As well as giving them a whole new way of living, that is new education structures (they produced everything, found everything and know everything), new economic structures (their social structure and trading processes are the only way forward) and more importantly new religious structures (new gods but were really old gods, rehashed) that they would shadily inject their occultic rituals that will be pushed onto their new subjects. They will believe wholeheartedly in the new way of life and from generation to generation, pass on their 'master's' immaculate history and generosity.

The additional transition that stands alone from the three religious bodies that has irrevocably changed the way of living within the Western world by making it 'westernised' by adding the concept of 'modern' but effectively corrupted the worldwide social structure as we know it, is the Industrial Revolution: basically, worldwide, self-induced slavery. This is actually connected to the birth/creation of the Scarlet Beast Idol that will actually betray her for she believed that they were partners or to be more precise, she believed that she was in complete control of Beast from the beginning hence why it's shown her riding it until it throws her off its back, humiliates her and then utterly incinerates her in front of all the world to witness. This will be expounded on in it's own post on the identity of the Scarlet Beast Idol.

THE RRR FILES

There has been three industrial revolutions and we're supposedly drifting into our fourth, they have all been instrumental in the coercing, manipulation and controlling of many less powerful but power-hungry countries. This has helped create the international, centralised, privatised business. These corporations, institutions, companies and operations have implemented and taken control of international trading and financial structuring of the world market and made it theirs to do as they will. They buy low or next to nothing and sell incredibly high or just unaffordable. The Westernised World System has allowed this to be so for in the past this was almost impossible to pull off and maintain. Only kingdoms and empires could have the power and influence to demand such authority without being appointed rulers. Families or one man having the wealth of a king, this is what Esau's legacy is built on: unelected non-kings ruling the ways of Man.

Revelation 17:5

And on her forehead was written a name of mystery: "Babylon the great, mother of prostitutes and of earth's abominations."

Babylon the great is the modernised kingdom of Edom that perpetrated its ways across the known Earth and perpetuated its ideals on all those it captured and enslaved, teaching them her abominable rites that were defiantly against the Truth, Man and The Most High Father. They will then copy these ways and continue to sin, profusely in everything they put their minds to. The three Abrahamic Faiths will take hold of and merge the old beliefs of their conquered foes into their own teachings thus being something for everyone, accommodating the non-believers of the Truth and providing the True Believers, a false alternative. Tricking them into worshipping their enemy's god and Our GOD's direct enemy. Following their traditions, practicing their rituals and going against the Spirit.

THE RRR FILES

2 Timothy 4:3-4

For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own passions, and will turn away from listening to the truth and wander off into myths.

You see, this is all part and parcel of the abominations and foul teachings that the Harlot will bring to the Earth. Teachings and practices that will fool the weak in spirit, tantalise the proud in heart so making it extremely easy to control and manipulate their reality to anyway feasible. Even to the point that they will disbelieve the Truth and cling to the may lies and falsities so much that they would argue, debate and even fight to stand up for it. Protecting the lies that's actually hiding the Truth from them and in such actions, ultimately destroying them and any chance of connecting to The Holy Father.

We will start going back to ancestral worship and embracing things from voodoo to the Orisha even Panther worship, we will be running back to Egypt and her gods that were the first to enslave us: as the saying goes; better the devil you know. From nowhere, online coaches will appear and promise a new life, seeing this, churches, mosques and even synagogues will migrate to the WWW to cash in on the self-absorbed mentality of the masses and the lost Tribes of Zion. What the world has not comprehended amid its whole unholy indoctrination is that all these 'inspirational' teachers and all the sudden explosion of spiritual consciousness is that the core of all these New Age teachings is old, ancient ways that belong to the Fallen Watchers and their wives, the witches. Teachings, exercises and rites that you have been convinced that were uplifting and safe. Yoga, pilates, Daoism, Buddhism, hypnotism, NLP, Gnosticism, Wicca and the list goes on and on.

The Watchers & their Wives

THE RRR FILES

All of these beliefs and many more actually stem from when the Watchers taught their wives and sons forbidden ways that manipulated the reality of the physical world and physical and mental elements of mankind for self. This is called sorcery. This is all summed up in these verses that has to be taken very seriously:

LUKE 17: 26-36

26 And as it was in the days of Noe, so shall it be also in the days of the Son of man.

27 They did eat, they drank, they married wives, they were given in marriage, until the day that Noe entered into the ark, and the flood came, and destroyed them all.

28 Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded;

29 But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all.

30 Even thus shall it be in the day when the Son of man is revealed.

31 In that day, he which shall be upon the housetop, and his stuff in the house, let him not come down to take it away: and he that is in the field, let him likewise not return back.

32 Remember Lot's wife.

33 Whosoever shall seek to save his life shall lose it; and whosoever shall lose his life shall preserve it.

34 I tell you, in that night there shall be two men in one bed; the one shall be taken, and the other shall be left.

35 Two women shall be grinding together; the one shall be taken, and the other left.

36 Two men shall be in the field; the one shall be taken, and the other left.

THE RRR FILES

You see, those that will be taken are the Chosen of the Heavenly Father, to be set aside from the Coming Destruction just like Noah was taken away from the Deluge via the Ark and Lot was whisked away from the judgement that was rested upon the cities of Sodom & Gomorrah. Those left behind are they that listened and wanted to believe in the false teachings and practices that were being spread across the Earth: this is the spiritual fornication of the kings of the Earth. Her prostitution will condemn many to damnation, the New Age Religions and the Scientific World.

Revelation 18:22

And the sound of harpists and musicians, of flute players and trumpeters, will be heard in you no more, and a craftsman of any craft will be found in you no more, and the sound of the mill will be heard in you no more,

When the fall of the Harlot happens everything that she created and was of her; falls with her, that includes all the beliefs, entertainment, trends, trading and marketing that used to seduce and hypnotise the Earth. The attack from the Scarlet Beast Idol is fatal and final. It has to be so to make way for its own rule: the is the Great Reset, the New World Order. The way of life that was free and easily accessible will now be monetised and not so free as before. This is the new way of the Scarlet Beast. No media entertainment from online music to movies will the same again. The production business will be stilled, ground to a halt due to the vicious takeover from the NWO via their implemented A.I. system.

Revelation 18:12-15

12 Cargo of gold, silver, jewels, pearls, fine linen, purple cloth, silk, scarlet cloth, all kinds of scented wood, all kinds of articles of ivory, all kinds of articles of costly wood, bronze, iron and marble,

13 cinnamon, spice, incense, myrrh, frankincense, wine, oil, fine flour, wheat, cattle and sheep, horses and chariots, and slaves, that is, human souls.

14 "The fruit for which your soul longed has gone from you, and all your delicacies and your splendours are lost to you, never to be found again!"

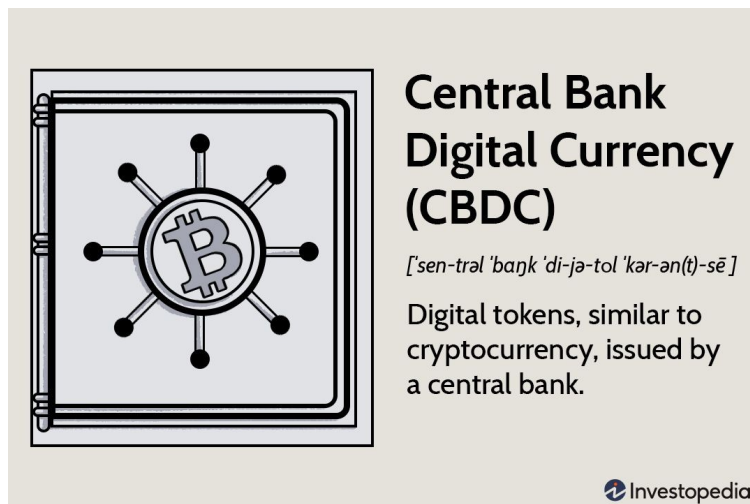

15 The merchants of these wares, who gained wealth from her, will stand far off, in fear of her torment, weeping and mourning aloud,

All the small, medium and large businesses of the world will be greatly affected by the immense change in the Commerce system that is perpetuated by the elite's pushing for their New World Order. This came in the sudden implementation of an automated buying and selling system during the time of COVID-19 scandal that took over the world as we knew it. They hurriedly set up rules, regulations, terms and conditions that greatly restricted commerce across the board, businesses and ways-of-life ground to a halt due to circumscribed accessibility to everyday necessities; saying the reason was to reduce the spreading of the virus so contactless payment was initialised. Due to many shops and services not having this mode of receiving payment this aided in the mass shutting down

THE RRR FILES

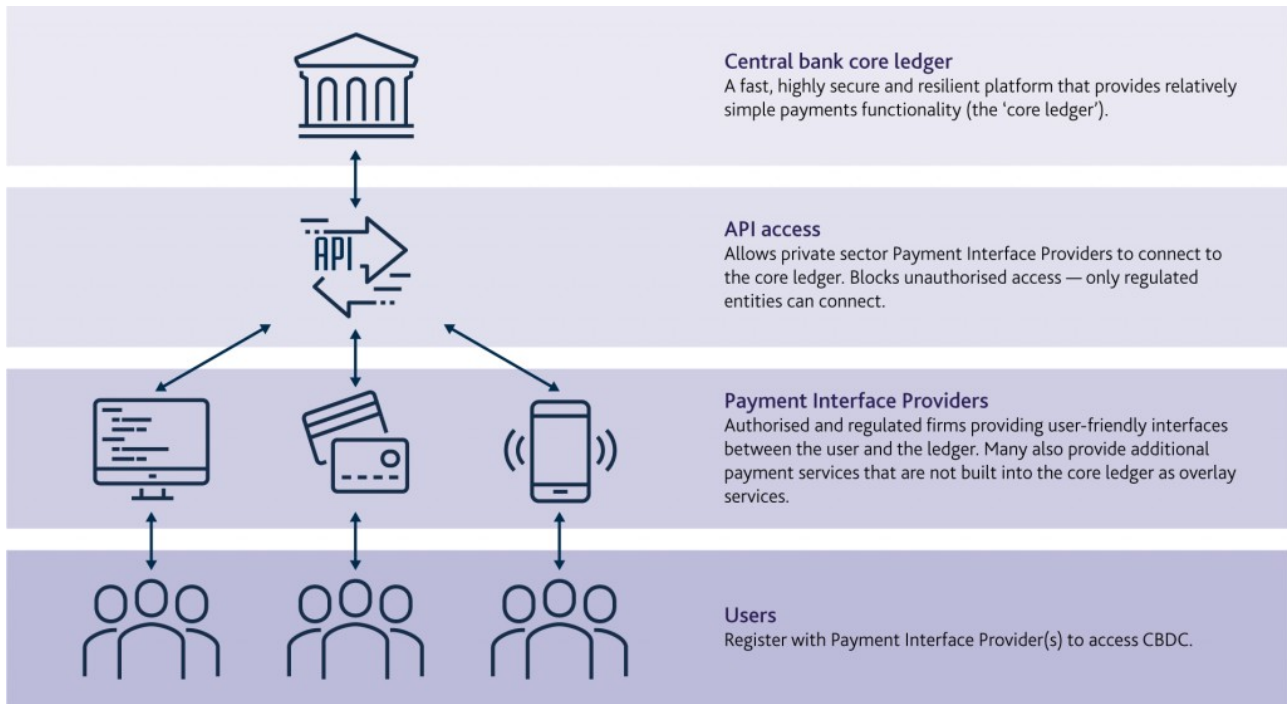

of businesses. Import and export across the world lost a lot of revenue even up until today. Many food and resources businesses were bullied or forced to get rid of, neglect and even destroy their products claiming that there was a risk of viral contamination though this has not been proven in any way only loosely theorised but unreasonably enforced none the less. This was executed by the Western World to be exercised by all the nations of the Earth although it has been the Western World that has really felt the brunt of this dystopian agenda, ironically but it has to be understood that this is part and parcel of the prophesied curses that she must receive ordained by The Heavenly Powers.

When the time comes in the near future, she will be completely and utterly destroyed by the Scarlet Beast Idol that is in truth the New A.I. System that will control and facilitate the known world. Part of it's control mechanism will be the cashless financial network system which Bit Coin and Block chain are the main foundation. As we speak, the digital force of e-commerce nature that has been planned by the elites like the Bliderbergs, has been presented to the unaware population of the world that will be their new, more sophisticated way of banking, replacing the old, extremely cumbersome, difficult-to-track method of banking that we're using at present. This new mode of banking that will be the game-changer in everyone's lives has been introduced as CBDC aka Central Bank Digital Currency. Once this system is successfully implemented into the relevant financial networks, it will be game-over for everyone believing they will ever have freedom of finance. Here are some examples of this Beast System Financial set up and please understand the wording and linguistics they are parading as it does disguise their blatant oppressive approach and intent:

Example.1. You can create your own cryptocurrency while CBDC can only be strictly issued by a central bank. All you have to do is have a look at the handiwork that central banks do to third world countries then imagine what they will do to an individual. They have admitted that they will be able to directly control your account; to be to restrict you from accessing your own finances, also being able to turn your account completely off for any reason the deem fit. You will have no say in it as it will it be solely controlled by the A.I.s own algorithms not by men or women.

Example.2. Due to us being already customised and acclimatised to their methods of registering and protocols for banking details this process they show us doesn't seem to be too invasive and intruding. They have complete control of allowing you to bank or not. They will control if you eat, sleep, cloth, travel, entertain, learn and even work. You will practically have no choice or decision in the matter. So, with the total control of this Beast System, access to the typical necessities of life will be permanently cut off as the Whore would have lost all access to them of which system the people would've been a part of and transitioning to the Great Reset. Many merchants that day will weep and mourn for their losses

Revelation 18:10

They will stand far off, in fear of her torment, and say, "Alas! Alas! You great city, you mighty city, Babylon! For in a single hour your judgment has come."

Many people will be in dire straits due them banking completely on Babylon's corrupt ways believing she will last forever in her self-righteous splendours. Her immoralities, debaucheries, lawlessness, unholiness have ultimately caught up with her. This part of Esau's reign is over, never to rise again thus showing the self-destructive nature that he has as he dances with the devil, himself. Soon the song will stop and they'll both have to pay the piper.

FINAL SUMMARISED THOUGHTS

What we are experiencing these days, especially with our genders, sexualities and views is 'her' unbridled expression, drive, intentions, desires, agendas and please note: future position in the coming world she believes she will rule on. In her clear, unspiritual delusion, self-absorbed preening and unfathomable self-righteous entitlement. She has completely ignored, misunderstood and was unable to understand the true nature, goals and deception of this said brand new world. She literally has no part of it from it's core to the extremities. She could not see that this new system is

structured and built on extreme servitude, security and submission which in all respects she does not fit the bill. She will not realise until its too late that this new world order is the worst things to partner with: an emotionless, hateful, over-powering Beast. It goes by its own rules and has room for none other. She cannot fight it for she was not built to fight, only seduce, deceive and indulge. The feeling-less Beast will slowly loose patience and interest with the harlot and then it will happen: the sudden attack...and the whole world will witness this, the fall of the Great Whore. Both female and male in mind, material and meaning. Once it was hated for many a time and then suddenly loved and adored by the faithless world.

At this, she is bathed in the starlight, soaked up the empty praises and believed all flatteries poured on to her. Why? Because she already knew this of herself as her 'father' had already whispered these strange, mystical and silent secrets in her ears since the beginning. She turned and used the people; now the new system has mirrored her intent in kind: betrayal! In her pride, she always believed she was a gift to the world, a queen in the heavens, a mother goddess...of harlots; prepared to use her sexual wiles and desires to her possessive prerogative and will. Believing she had self-amassed power, no, she 'was' the power and all things begged to drink from her teats as hapless newborns. Due to her self-pride, self-privilege and self appointed power, all her friends will leave her. They remember her foul attitude, they will remember her lack of care, love and sympathy and will hold her hand no more. That is, the beast of iron and lightning, filled with the blood of the innocent: YAH's Chosen People, will strike and strike with no mercy, no regret, no care. She will be utterly destroyed and it will be sudden and swift.

All those filled with unfettered pride for your immoralities high-mindedness and unholy entitlement due to your sexualities, gender-corrupting and victim procuring, people-shaming, lack of accountability thus manifesting, leaving and ultimately neglecting all the disruption, corruption and destruction you have wrought; this warning is for you. You truly believed that the scarlet of the beast meant that loved you, not loathed you. Had passion for you not pure hatred against you and yours. Though you rode upon its rugged back you didn't realise that was allowing you in this venture. You didn't appreciate it, you embraced your false nobility thus not realising your folly with your fake delusions, walking straight into a self-created damned fate. Not noticing the winking of the Eye and presenting of the Hand. You are the fool and so you must die because your lovers are gone and done with you. They have no need of you any more; so perish you must for perish you deserve.
