

THE ANTICHRIST

WHO OR WHAT IS IT

Truth be known and clear, the true identity of who or what this infamous, sinister phenomenon known as the Antichrist is or what people believe it to be is actually quite simple to know and understand but there is an additional spiritual development that actually plays a prominent part in the mass misunderstanding of extremely imperative prophecies that explain essential game-changing events that have been given a serious misinterpretation therefore misleading many. The gift of religion and academics. The answer is actually in one verse but due to other verses that strongly mentions and gives vivid descriptions of the nature of the Antichrist and plus the manner of the interpretation, many get lost spiritually or make their own assumptions based highly from their denominations they have come from to the sources, be them first or second-hand, that they use and bank everything on.

THE R.R.R. FILES

WHO & WHAT IS THE ANTICHRIST?

Let us go through the main verses that clearly point out who or what this Antichrist is but what has to be taken onboard is what does the term Antichrist mean to the typical layman. As we're sure everyone knows the word anti means the opposite of; so for example we have the word septic that means to be badly infected, in the simplest of terms while anti-septic means the direct opposite: highly sanitary. The same with the understanding of the word Christ; in its wholeness, it means to be anointed or the anointed one. This person would usually be a kingship or priesthood as they would receive the pouring of pure olive oil upon their head and hair. This means that they have been chosen by a higher power to undergo a very important undertaking that in most cases very few can execute or even be considered. So, we've got that on the table, it's now clear to understand what the word '*anti - christ*' properly means the '*opposite of the anointed one*' or another way of understanding its meaning, '*the opposer of the anointed*' and '*Not worthy of Kingship and Priesthood*'. So, the opposer given to us by John/Yohanan is the title of this enigmatic, unscrupulous being or phenomenon.

THE R.R.R. FILES

Being Anointed is the sign of Kingship & Priesthood so the meaning of the Antichrist is that the person or system is not worthy of so and is against those that are.

To make everything easier and no unnecessary exploration of misleading info would be used to loose the track that will lead to the Truth we would mainly focus on the verses that have the actual word ‘*anti – christ*’ in it as the majority of the verses in the New Testament especially within The Book of Revelations, from the son of perdition to the man of lawlessness, all these personas are Antichrists by default, they are all in opposition of the Anointed; just by going off the definition alone. One or two maybe used as to amplify the Truth that is being shown. So, again, who or what is this ‘*anti – christ*’, the verse that truly reveals this mystery is 1 John/Yohanan 2:18-19 as its very clear in your face. It reads:

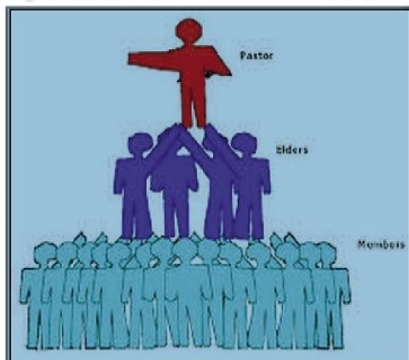

18 *Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time.*

19 *They went out from us, but they were not of us; for if they had been of us, they would no doubt have continued with us: but they went out, that they might be made manifest that they were not all of us.*

Once any person with wisdom reads these verses you can clearly pick up that the Early Followers of the Way had already heard of and had concise knowledge of the coming and activities of that that was called the Antichrist to the point they were privy when he/she/it presented itself that it would acknowledge the time that they were in, the coming End Times. Basically, the last hours of the reign of Esau/Edom

empires. When could this sharing of this explosive information been shared? From the time of Pentecost and the receiving of The Holy Spirit to when Our Saviour and King addressed His families/churches on their potential, conducts and improvements. From ACTS, it was constantly stated that false teachings were being interwoven and adopted into The Truth; from the teachings of the Nicolaitans, which is the core of the Papacy & Christianity today to the ways of Jezebel that is the underlining structure of the material world.

Nicolaitanism is the lifting up of oneself above others and attempting to control them, which is the very opposite of God's plan for government in the ecclesia. Almighty God is to be our leader, not men.

The structure and body of the teachings of the Nicolaitans today

This was the beginning of weeds known as the Antichrist hence why it was stated that many have already come. The Antichrist is not a particular person per se but is actually a WAY of a person just like the title Satan can be more than one person. Their thoughts, beliefs, teachings, understanding and way of life can all be against the prospects of The Anointed, even to the point that they actually believe they're in the righteous view. This is why when you continue to read through to the 19th verse it states that:

19 *They went out from us, but they were not of us; for if they had been of us, they would no doubt have continued with us: but they went out, that they might be made manifest that they were not all of us.*

This Antichrist-ism started from the Followers of the Way and will ultimately end with them. This is something that many look over or miss completely due to religious indoctrination and academic programming. This has to be fully emphasised: the Antichrist actually came from the body of our Anointed, the Followers of the Way. It wasn't a certain person but a certain persona. This persona is actually juxtaposition, the polar-opposite of the way, the will and the worth that our Anointed has been sharing about the Truth, across our Earth. Now, the full identity of the Antichrist goes much further than this but this will be revealed later on in this exposé/documentation

THE R.R.R. FILES

but we will go into the other verses that expands on the traits, attributes and characteristics of the/an Antichrist. The next verses states:

21 *I have not written unto you because ye know not the truth, but because ye know it, and that no lie is of the truth.*

It shows here that all the Followers of the Way knew and had intimate knowledge on the real Truth that would be attacked and usurped by the teachings of Antichrist figures throughout ending of the Last Empire and what was being shared here was ALL TRUTH and has no part in the lies that would be spread by these Antichrist figures.

22 *Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son.*

Now, what it's showing in this verse is the fact that the main tool of the Antichrist persona is lies – false truths. They will be spreading this among their brethren believing they are 'chosen of God' and those of the Truth are mistaken and are misleading the Body of Saviour. One of the major lies they brought forth was Yahushuah/Jesus was not the true Son of Our Heavenly Father, YAH. From Pharisees to the Nicolaitans, they all had their own beliefs that seeped into the understandings of Our Father's Truth. What is understood of fully of the point "...denieth that Yahushuah/Jesus is the Christ? He is Antichrist, that denieth the Father and the Son". In the next verse it starts to clarify it. It states:

23 *Whosoever denieth the Son, the same hath not the Father: (but) he that acknowledgeth the Son hath the Father also.*

So, an Antichrist is anyone that does not accept or believes that Our Saviour and King, Yahushuah/Jesus is the Chosen One of YAH, he is the Anointed of GOD. Therefore, anyone that denies or argues that Yahushuah/Jesus is not the Anointed One then they do not have the Spirit, connection or Ways of his Father in them no matter what they say or prove. So, all those that accept that Our Saviour is the Anointed have the Spirit, connection and Ways of his Father in them so to be able to recognise that he is the Chosen One of YAH. Though, what has to be understood is that it actually goes further than that but this verse is specifying on the spiritual landscape at the time as many were infiltrating the Body and were coming with the teaching of the Anointed was still on his way and Yahushuah/Jesus was not the Chosen One. There are many other attributes and traits that the Antichrist embodies but this will be explored later so we must continue.

THE R.R.R. FILES

24 *Let that therefore abide in you, which ye have heard from the beginning. If that which ye have heard from the beginning shall remain in you, ye also shall continue in the Son, and in the Father.*

A clear piece of wisdom was imparted to the brethren to bring into remembrance that they must keep in their spirit what they were taught in the beginning of their coming to the Truth. By them doing this, they will not inherit the spirit of the Antichrist and shall retain The Father's Spirit and complete belief in their Anointed.

Apologies for making this so long but believe us we've tried to make this as condensed and as simple as possible for this is to understand not just to prove the Truth. We could've continued through the additional verses, up until verses 27 but all we will be doing is plainly proving that the Early Brotherhood of Truth had a grand knowledge on what was coming and what the reward would be by keeping and sharing the Truth, undiluted, uncorrupted by our foolishness and by the enemy in all their forms. We must get to the ultimate point of the full disclosure of the actual identity of the Antichrist. The full reveal will be completed with an audio as the information is very extensive and it is easier to listen then to read continuously.

Now, from the Book of Daniel to the Book of Revelation all the hints and clues were there in front of us and splayed out for everyone to see but once seen it cannot be unseen and very few would fully accept it. Be that as it may, we shall prove this with a book that very few have come across let alone accept as canon even though it has been clearly cited in Our Holy Scriptures. This book is known as the Book of Gad the Seer. This amazing, ancient book was referenced in 1 Chronicles 29:29 and alluded to in 1 Corinthians 12:12 and Galatians 4:26. Once we go through this excellent Scripture those that are truly seeking for the Truth will see clearly why Christendom had to take this book out as it exposes many hidden and disguised players, incredibly. We all know what the curse is for those that take away from this Book and whoever adds to it, unlawfully. The curse is describing the way of an Antichrist. They take and add to fulfil their own agendas that goes against the ways of the Anointed.

THE BOOK: *Gad the Seer*

Just to conclude so edification can reign; a steadfast understanding of what it means to be anointed has to be laid out. It has been briefly clarified that Yahushuah has been

made the Anointed One of The Almighty YAH because he ultimately fulfilled the necessary spiritual requirements that a living man has to be accepted by The Almighty to be personally taken as HIS Son but what many do not realise or even know is that there are many anointed just as there are many antichrists. These anointed of The Heavenly Father are co-heirs with Yahushuah and are constantly referred to throughout the New Testament as the sons of GOD. So, to really get a grip on this spiritual reality it declares in Romans 8:14-17

14For as many as are led by the Spirit of God, they are the sons of God.

15For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father.

16The Spirit itself beareth witness with our spirit, that we are the children of God:

17And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with *him*, that we may be also glorified together.

These verses go through the understandings of the higher relationship that is adopted by the ones of Zion to officially become a son of The Most High. This is one of the main reasons why Azazel has been working over time to eradicate the True sons of Zion, either by imprisonment, enslavement, persecution, abortion, civil wars and many other nefarious tactics against the sons of the Most High as this will last up until the Returning of their True High King. They are known by many titles: the 144,000, The Order of Melekzedek/Melchizedek, The Order of GOD, The Order of the Elect, The Chosen, The Elect but this will be fully explored in the docupost titled: THE TRUE ZION, CHOSEN ONES OF YAH: THE ORDER OF MELCHIZEDEK - THE 144,000.
